Letter No.C.43/24-25 dated 17th July 1924 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"In forwarding herewith in original Nanjangud Sub Division ----- Officer's Yadi No.20/24-25 dated 16th instant, I have the honor to state that according to the Lagnam fixed, the Rathotsavam of the Sri Chamarajeswara Swami at Chamarajanagar was to take place on the 15th instant. Owing to heavy rains reported to have commenced there on the night of the 14th instant and continuing incessantly the whole of next day, it had -- become very difficult to drag the Car, but, as the function could not be stopped, the Car was moved a little distance in front of the Temple on the 15th morning and then stopped.

As the residents of the place and the Temple Dharmadarsis very much desired to have the Circuit completed, as usual, a fresh attempt was made to drag the Car further, the next morning i.e., on 16th July 1924 after collecting the required number of men. The Car came all right till it took a turn to the Post Office Road where the wheels got stuck about 12 noon, quite close to a drain in front of the Post Office, and any amount of exertion on the part of those assembled there could not get it going -- from the place; so, the Deity was got down from the Car and the further proceedings connected with the Utsavam conducted in accordance with the Agama Sastra. The Sub Division Officer, Nanjangud, the Taluk Amildar and the local Assistant Engineer were present during the course of the ------ Utsavam. The Sub Division Officer reports that the Amildar and the -- Dharmadarsis made great efforts to move the car but to no purpose.

I am addressing the Executive Engineer, Mysore Division, separately in the matter of arranging for lifting of the Stuck-up Car by means of --- Jacks and Levers."
